Alter Alteris Anthem

Science, order and integrity perennial token Inspiring the life the creator gave to me Alter Alteris we honor your name That's why we serve with love four our brother

To knowledge, to joy and pain for the others Bless be the fruits given by the heart.

Chorus

Altruism, Altruism is the stone
That in the soul has made its abode
It is the badge of our bedrock
Alterista always with love proclaims
Hoo viva the people that are peerless mates
That never ends to love and to fight

Alter Alteris your mission is awesome You are the essence of our education Let's march together we the brave warriors Green of hope with honor we carry red and Yellow are our treasure, White the purity given with the fervor.

Chorus

Altruism, Altruism is the stone
That in the soul has made its abode
It is the badge of our bedrock
Alterista always with love proclaims
Hoo viva the people that are peerless mates
That never ends to love and to fight
